Gentlemen:

As you know, The American Radio Relay League has called for nominating petitions for Director of the new Central Division, which now includes the states of Wisconsin, Indiana and Illinois.

The Starved Rock Radio Club has acted in behalf of Mr. George E. Keith, W9QLZ, thereby placing his name among those to appear on the ballot this fall.

Our candidate is very active in Amateur affairs and has been a member of the S.R.R.C. since 1933. From 1938 to 1945 he served as Secretary-Treasurer and is currently serving as President of the club. He was appointed acting SCM, Illinois Section, 1943 - 1944 and at various times, before Pearl Harbor, held ORS, OBS, AEC, RM and is , at present, participating in ARRL sponsored activities.

Licenses held by our candidate include, Class "A" Amateur, Radiotelephone First Class and Radiotelegraph Second class. His code speed, as shown on an ARRL code proficiency certificate, is 35 wpm. Time spent on the air is divided between phone and cw, with about 75% of the operation being on the cw bands. Equipment changes planned for W9QLZ will permit operation, phone and/or cw, on all bands, through 144 mc.

We feel that our candidate is familiar with Amateur problems and sentiment existing in the Central Division and are sure that he will present the views of representative Amateur groups in a Democratic manner, if elected.

Any support that the Milwaukee Amateurs can give Mr. Keith will be greatly appreciated and we would welcome comments from your club on our action.

Very truly yours,

THE STARVED ROCK RADIO CLUB
